## Budget Delegation Meeting

CARROLL COUNTY HOME, FEBRUARY 6, 1954

---

At 12:30, thirty-seven County Delegates, County Officials and guests gathered around the dining tables to partake of the wonderful dinner served by our new Supt. and his wife, the Henry Hatches.

Following the bountiful dinner, Chairman Edgerly greeted the gathering and Delegation Chairman Hodgdon called the meeting to order. Typed budget sheets being in the hands of all present, the items were then taken up, one by one. Explanations being given by the particular officer in charge of the various endeavors and discussion followed by those desiring to be heard; as indicated below:

**1. Direct Aid Cases.**

The County Commissioners gave details of a recent Chatham case. Reported regards the County share of the Surplus Commodity supplies including weekly provisions to the County home table.

**2. Photostat Expenses and Income.**

Reported by Walter White, who after giving details, suggested that as the income would doubtless be more than the budget figure, of \$1,000.00 this amount be cut by \$200.00 (Approval was expressed and in executive session so voted.)

**3. Mr. Gray, unable to be present sent a report that the INDEXING would be completed in 1954.**

**4. Recreational budget item \$500.00 was opposed by Downs and Benson; they urging that the share for the White Mt. Regional Association be cut out and the**

sum divided between the Lakes and Eastern Slopes. Morey stated that the Lakes and White Mt. both had a direct-aid connection with State fund support, while the Eastern Slopes had no such connection, neither did it have a full-time Sec'y. as did the two; however, Morey did not oppose money for the Eastern Slopes, rather urged that all three promotional associations be given \$200. Washburn said it was a misstatement that the White Mt. did not work in the Eastern Slope Region, sighting its Youth Work in particular. Morey, who has judged this annual event several times, concurred.

5. **Contingent Fund.** Com. McKenzie reported on the water project under this fund. One of the three springs has been tapped, has a fine flow in a ½-inch pipe. Bills incurred and paid at this date \$516.00. Cost of tapping the other two springs estimated at \$500.00 and when done should give gravity flow enough to practically eliminate the cost of present electric pump system.

6. **County Home and Farm.** Reported by Supt. Hatch as now established. Com. Leighton gave detailed report of recent consultation at the Home with the Commissioners and Com. of Welfare Barry in regards to taking Old Age Assistance cases, permissible now under the present regulations of Federal and State agencies; same can pay \$85 to \$150 board monthly for cases requiring minor nursing care, exclusive of doctor's bills and prescription drugs; same are paid by the authorities . . . not by the County.

With the present business-like running of the home and farm, it seems like a feasible added income matter for the County, as there are Old Age Cases in the County who need such a home, as our home

now furnishes. The General reaction of the group—favorable.

Supt. Hatch reported Farm needs included harrows as there was none in the buildings. Also advised that a farm elevator would greatly aid the farm work. (Cost of elevator might run up to \$600.00,) The Superintendent thought that the budget item of \$800.00 for farm equipment was a close one, but that with bid purchase, etc., of harrows and elevator, it could be made to cover and the item was left as listed in the budget; though it was understood that purchases might overrun this slightly. Attention was called to the lack of funeral expense in the offered budget and approved suggestion was made that \$300.00 for this be added.

County Forester Breen gave data on Christmas tree raising. One acre holds 48,040 seedlings, planted 3 feet apart each way. At present fir seedlings cannot be secured from State — supply sold. One commercial nursery offers 1,000 fir at \$65.00 per. Douglas fir, second species in demand, and above firm will accept order for 300 such trees. Using “waste” land, giving young trees annual or semi-annual pruning in 8 to 12 years, a crop ready to cut of the most desired height (6 to 7 ft.) can be marketed, present selling price, f.o.b. is about 50c per tree. Favorable reaction to the test planting.

Both the Commissioners and the Superintendent covered the present sale and income from the dairy and the lower cost of labor and food; all of the later is purchased at wholesale. The employees now number 12 besides the Supt. and Mrs. Hatch with two relief persons, on duty only part-time. At the beginning of this Delegation the payroll had 29 persons besides superintendent and wife.

Cord wood and other timber sales are bringing in an income and will continue to do so. The Jail and House of Correction inmates, the Home "family" of dependents, as well as detailed inventory of livestock and farm machinery were in the hands of all present; thus all present felt a complete business report was in our hands.

7. **Sheriff Foss** explained his underrun in 1952 and his overrun in 1953 a matter of not getting a fourth-quarter into the first above year's expenses on the reporting date.

Delegate Palmer voiced all our feelings of deep appreciation when he moved we stand as a vote of thanks for the wonderful dinner and work of Supt. and Mrs. Hatch.

The twelve voting delegates then adjourned to the upper living room for the executive session, Hodgdon presiding.

Peaslee moved, Washburn seconded \$200.00 to the Lake Region Association, \$100.00 to the White Mt. Region Association and \$200.00 to the Eastern Slope Region Association. Passed 12 to 0.

Hodge moved \$800.00 be substituted for the \$1,000.00 item under expense of photostat. Passed 12 to 0.

George Nickerson moved, Benson seconded, Retirement Budget figure be set at \$450.00 rather than the listed \$500.00. Passed 12 to 0.

George Nickerson moved, Benson seconded that a \$300.00 item for funeral expenses be added to the budget. Passed 12 to 0.

Benson moved, Peaslee seconded, that we approve the Christmas tree program as presented. Passed 12 to 0.

Washburn moved, Nickerson seconded, that authority to pay for the new truck \$1,090.00 be given and that this amount be taken from the capital reserve fund. Passed 12 to 0.

Hodge moved, Nickerson seconded, that \$1,000.00 be put into the budget to remodel the men's dormitory into eight double rooms. Passed 12 to 0.

Gale moved, Downs seconded that \$5,000.00 be taken from the cash surplus and put in to capital reserve fund ear-marked Building fund. Passed 12 to 0.

Downs moved, Washburn seconded that the amended budget which now stands at \$116,790.00 be approved as it now stands. Passed 12 to 0.

Washburn moved, Hodge seconded that the offer of a monthly report of the County Extension service be accepted and same will therefore be received by all County Delegates. Passed 12 to 0.

Discussion followed regards the need to have blanket authority to handle the wood lots on the County Farm. Peaslee moved, Benson seconded the following motion which was carried 12 to 0, "To authorize the Superintendent of the County Farm to cut wood, pulp, and lumber under the supervision of the County Commissioners and with the approval of the County Forester, this permission to remain effective until revoked by vote of a future delegation."

Washburn moved, Benson seconded, that we adjourn at 5:30 p.m.

## Commissioners' Report

---

In accordance with the Public Statutes of the State of New Hampshire the Commissioners of Carroll County submit their annual report together with the report of the Superintendent of the County Farm and of the various other County Officers.

It is with a feeling of optimism that the Commissioners of Carroll County present this, their annual report. When the so-called County Hospital closed, and there was talk of doing away with farming at the County Farm, it looked like the beginning of the end of things at our County Institution. However, conditions have changed during 1954 and the Commissioners are very much encouraged about the situation there.

One of the first things that Supt. Hatch did when assuming responsibility at the Farm was to arrange for the sale of surplus milk to the Strafford Farms Dairies, Inc., in Dover, during the year 1954, 77,478 pounds of milk were sold there, bringing in a revenue of \$3,466.65 to the Farm. He has gradually improved his Holstein herd, by disposing of what he terms the "boarders" and replacing them with more productive cows. As of December 31st there were eight purebred animals, and five of the cows produced over 10,000 pounds of milk each during the year. Artificial insemination is practised on the Farm animals.

Last summer was none too good for the care and harvesting of crops but from one acre of Kennebec potatoes 329 bushels were harvested, this being enough to supply even the increased Home population, with some to spare. Approximately \$800.00 worth of garden truck was sold to people who came to the farm for produce. There were few House of Correction men in jail the past year, and this was bad for Mr. Hatch and his farming program, since the high cost of labor made hiring of extra help prohibitive. For this reason a hay elevator was purchased. It was also necessary to buy disc and leveling harrows.

Upon investigation into the laws having to do with the possibility of boarding O.A.A. recipients at the Home, it was found that should the so-called "Hospital" be reopened it could be quite a source of revenue. Accordingly in May, 1954, the institution was licensed as an Infirmary and Custodial Rest Home with the result that as of December 31st there were 26 paying guests there, at a rate ranging from \$60.00 to \$150.00 per month. Most of these were O.A.A. recipients. This arrangement, although not effected until August, brought in a revenue of \$6,976.49 during the remainder of the year. It is felt that at least \$18,000.00 will be realized from boarders during 1955. Of course, the care of these people necessitates the hiring of nurses but even so, the amount received far exceeds what is paid out. Mrs. Hatch, a registered nurse, is, of course, in charge of the new setup.

\$1,000.00 was appropriated by the last Delegation to improve the so-called Dormitory, one large room where most of the men at the Home slept. Bids were sent out for modernizing of this room, and Wendall Thompson was the low bidder. He erected partitions, making nine sizeable double rooms. These have been decorated, mostly by inmate help, and the sleepers there are very happy with the change. They have some privacy now, as well as individual quietness if they want to lie down during the day.

The general public should know about the surplus commodity program which has been carried out the past year. All Commissioners in New Hampshire were called to Concord early in the year to learn about a program which could operate if they would sponsor the plan. It was found that various foods such as butter, shortening, dried milk, cheese, beef in gravy, and dried beans could be procured for approximately 7% of cost of commodities plus the actual cost of processing and distributing the same. Accordingly, selectmen of all towns were invited to a meeting with the Commissioners at which Mr. Henry Stevens, Director of the Program, was present. Practically every town in the county subscribed to the plan, and since its incep-

tion, over \$15,000.00 of foodstuffs have been distributed throughout Carroll County. (Incidentally, the plan has kept several families from asking for relief.) For the above-mentioned amount, only \$1,082.67 has been paid by all the towns participating. To be exact, \$751.87 was for the commodities, and \$324.80 for processing and delivery. Mr. Hatch, being agreeable, receives these goods, processes and delivers them after they are brought to him by truck from Manchester.

Mention must be made of the improved water system at the County Home, which was finished during 1954. When the large reservoir was constructed thirty-odd years ago, it was partially supplied from water that flowed down the valley from the hills in back. As time went on this source of supply became contaminated, according to the State Board of Health and could no longer be allowed to flow into the main reservoir. It was then necessary for the deep-well pump to furnish all water used at the Institution. After the earthquake in the 40's, water level in the well changed, making the supply uncertain, and at one time it was thought that another well would be necessary. The Delegation of 1952 voted a sum of money to make a study of the situation, with the idea of driving another well probably near the County Home buildings. The Commissioners have given much thought to this water situation, and during the past two years have finished a project, which they consider very near perfect. The valley above the present reservoir has been bulldozed out, exposing three very active springs. A cement well 4 feet in diameter and about eight feet deep has been sunk over each spring, and these wells connected by pipe one to another. The lowest and largest is now filling a three-inch pipe which empties into the main reservoir, and there has been a continuous flow of this size ever since completion of the project last summer. It is estimated that 15,000 gallons per day runs constantly. The deep-well pump hardly ever starts now, thus saving the County a good-sized electricity bill.

Hurricane Hazel did damage to the Court House slate roof, but extended coverage insurance took care of the greater part

of the bill. Improvements at the Court House include new floor covering in the office of Register of Probate, similar to the one laid in Clerk of Court's office last year.

The general public has paid more attention to THEIR County Home during the past year than ever before. Visitors to the number of 371 have called, and various organizations have done one thing or another for the benefit and enjoyment of people staying at the Home. The Eastern Slope Choral group of North Conway, under the direction of Frank Petillo, put on a musical program at Christmas, and the Episcopal Church choir of Wolfeboro also came to the Home with a program. The "Hikers," a woman's club of Tuftonboro under the direction of Mrs. Coreen Hardon, sponsored a voluntary drive among other female clubs in the County for a T.V. for the upper floor, raising not only enough money to pay for the same but to help buy a Hi-Lo hospital bed. An anonymous donor from Tamworth also donated a television for the "men's walk" so-called and all the Rotary Clubs in Carroll County were generous in money gifts to help make Christmas enjoyable for the Home people.

Signed,

EDWIN B. EDGERLY,

SAMUEL P. MacKENZIE,

JOHN N. LEIGHTON,

Comms. of Carroll County

#### SHERIFF'S CRIMINAL INVESTIGATION REPORT

Total number of cases reported to and investigated by the Sheriff's Department — One hundred and ninety-four

#### CLASSIFIED AS FOLLOWS

84 B. E. & L.; 33 grand larceny; 21 petty larceny; 25 assault cases; 9 stolen automobiles; 2 rape cases; 15 misdemeanors; 5 suicides.

105 of these cases have been solved by arrest or exceptional clearance. About 50% of the remaining cases have been classified as unfounded, no action taken. The remainder are open cases still under investigation.

Total value of personal property recovered and returned to its rightful owners was \$12,654.72. (\$5,106.72 of this is actual cash and restitutions paid and \$7,548.00 is the value of stolen goods and property recovered and returned to owners).

Respectfully submitted,

CLYDE B. FOSS,

Sheriff

## REPORT OF COUNTY PHYSICIAN

---

The year 1954 saw a considerable increase in the number of patients at the County Home.

The Infirmary at the Home was reopened and enough competent personnel was acquired to take care of patients who, otherwise, would have been cared for in general hospitals or convalescent homes.

There were no epidemics or contagious diseases during the year.

There were three deaths due to the degenerative diseases of the aged.

The morale of the patients at the Home was high, the esprit de corps of the the personnel excellent, and the physical equipment in good condition.

I am extremely grateful to all those who have shared in my efforts to make the lot of the patients at the Home a happier and more healthy one.

Respectfully submitted,

FRANCIS J. C. DUBE, M.D.
